ISTRO INFO – Special Announcement

Due to differences in the timing for scholarship applications and the December issue of ISTRO-INFO, I have decided to send this special announcement to our members. If you or someone you know is interested in applying for these scholarships at the University of South Australia, please contact ISTRO member John Filke.

Cheers,
Doug Karlen
Assistant Secretary General

Scholarships for Ph.D. Study are Available

Two Ph.D. scholarships (tuition and living allowance) at the University of South Australia are available for the study of no-till sowing systems. If you or anyone you know is interested in applying for these please contact me as soon as possible. For more information about these programs at the University of South Australia, please see the file attached to this special announcement.

Regards,

John M Fielke
Associate Research Professor
Leader, Agricultural Machinery Research and Design Centre
School of Advanced Manufacturing and Mechanical Engineering
University of South Australia
Mawson Lakes, SA 5095
